About our Spiritual Safaris: Our tour programs are unique in that they provide an opportunity for you to join others of like mind in spiritual, sacred and metaphysical expression. We invite you to join us on an outward/inward journey of self-discovery, where you can open your mind, expand your awareness and take home profound life-changing insights and experiences. The level of healing, knowledge, transformation, etc. that you experience will depend on you! We will meet before the tour to set our collective intentions and get to know each other before the journey begins.

"No matter how far you travel, if it is transformation you are seeking, it will only occur when you are ready. For change can only come from within, which is the most sacred site of all."
